

2008 – 2009 Annual Report

Building Homes, Building Hopes, Changing Lives

*We are an ecumenical, Christian housing ministry that exists to:
Provide simple decent housing for low income families;
Make decent shelter a matter of conscience and action; and
Bear witness to the Gospel of Jesus Christ throughout West Central Minnesota*

Habitat for Humanity of West Central Minnesota is not a government agency; we rely on private donations of time, talent, money, sweat and tears to do our work. We rely on the generosity and willingness of individuals, churches, businesses, corporations and other groups to help our partner families in need of a safe, decent, affordable place to call home. The following contributors make your local Habitat affiliate programs available to our communities:
