Construction volunteers enjoy a sunny day at a build site.

**Change a life...  
VOLUNTEER**

Habitat for Humanity of West Central Minnesota  
Building Homes! Building Hope!

# Volunteer Opportunities

Volunteers organize fundraisers and special events.

We have dozens of volunteer opportunities for you, your family, friends, and co-workers.

Pick the one that sounds the best to you—or design your own volunteer job—and get involved today! You'll make new friends, have fun and know that you're doing something important for your community and for families in West Central Minnesota.

Caring neighbors and community members form a circle of support for new homeowners.

## Build a Home

Work alongside a family building their home. We may put you to work doing anything from painting a wall to pounding nails, roofing or planting flowers.

## Special Events

Help plan dedications, work a booth or raise funds.

## Office Work

Stuff envelopes, answer phones, set up databases, write letters and more. Work as much or as little as you like—we're flexible.

## Spread the Word

Help us reach out to the community through advocacy. Use your speaking skills to raise awareness and funds. Use your writing skills to help with public relations materials, website updates, and more.

## Work with Families

Become a family mentor and experience the joy and satisfaction of helping a family through the challenges and rewards of building and buying their home.

## Serve on a Committee

Can you bring fresh ideas and new perspectives to Habitat? Consider a membership on one of our committees. Varying skill sets are needed; orientation is provided.

Board and committee members keep things going behind the scenes.

**YES! I want to become a Habitat for Humanity Volunteer!**
